

Mystery 2017—2018

Step 6

For this step you will need:

Background

2 strips $3\frac{1}{2}$ " wide

Color B

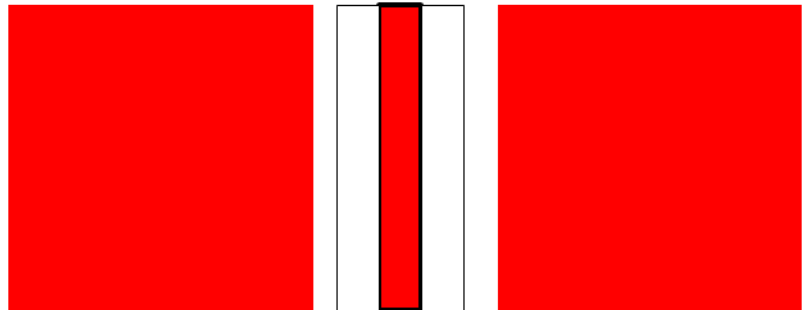

7 strips $3\frac{1}{2}$ " wide

The 34 remaining $3\frac{1}{2}$ " wide 3-strip sets from Step 2

The 36 remaining $3\frac{1}{2}$ " wide 2-strip sets from Step 3

From the Color B fabric cut 68 $3\frac{1}{2}$ " squares.

Sew a Color B square to each side of the 3-strip sets. You will make 34 sets

From the background fabric cut 18 $3\frac{1}{2}$ " squares.

Sew a Color A strip set to each side of square. Make sure that the Color A fabric touches the background fabric as shown. You will make 36 sets.
