Dear Susan:

On behalf of Tidewell Hospice, we want to express our deepest thanks and appreciation for the beautiful quilts for our Hospice patients! Our patients gain so much comfort and support from the many hours of love that the members of the Venice Area Quilters Guild have put into creating such "masterpieces!" Please let all the members of your group know just how much we appreciate your support of our organization and the difference you are making in the lives of our patients!

We are truly blessed to have such a fine group sharing your extraordinary talents with Tidewell Hospice.

We give these special gifts to our patients' through-out the year! You are truly the best! We hope your summer is filled with love, peace, and the good things which always come to those who share their talents with open and compassionate hearts!

Sincerely and With Love,
