Sharon Bottini		October 2018

Beginning with our October class and meetings, we will go back to the alphabetical list of circles to hostess our membership meetings for new members, and for class angels for our formal classes.

Duties of meeting hostesses are to arrive at 6:00. Get familiar with the room layout. Guide new members and guests through the pre-meeting activities. Please ask the new member/ guest to join your group for the meeting.

We will start with "A" for monthly membership meetings. Apple-K-ers are first up to hostess our October meeting.

Class angels will arrive at the class room early, open the storage locker and set up needed stations (cutting, ironing) All teacher needs can be addressed by the angel, including getting her lunch, taking her to dinner, unless other arrangements have been made. Since there is usually more than one class, more than one circle member will be involved. This is a fun job as the angel gets to monitor the class for free! Sorry, only one angel per class.

Please direct any questions to Sabra Liedtke 941-350-7245, Barbara Zittel 518-522-3340 or Caryl Coss 941-586-8592. A full schedule will be in the September newsletter.
